## THE CURSE OF DEAD HORSE CANYON: CHEYENNE SPIRITS

by Marcha Fox & Pete Risingsun

*"Exceptional. The intricate plot and dramatic storyline create a breathtaking and intense story."  
--Readers' Favorite*

The only thing Sara Reynolds remembers about the accident was her husband, Bryan's, dying plea: *"Don't let them get away with this!"* She and Bryan's life-long Cheyenne friend, Charlie Littlewolf, seek the truth, which can only be found if he returns to the mystical teachings of his medicine man grandfather. Will they uncover the government's dirty little secret? Or will black ops security forces silence them both forever?
